Fifty-Sixth Annual Sale

MARSHALL COUNTY

SHORTHORN

BREEDERS

Monday, March 20, 1944
Marshalltown, Iowa

ANNOUNCING

The 56th sale of the Marshall County (Iowa) Shorthorn Breeders Association.

Of all the many public auction sales of this association this is the largest and perhaps the best group of cattle ever assembled for such an event. The bulls offer an opportunity for selection unequalled in Iowa this year, many of them rank with the best of the breed anywhere and there are no better pedigrees.

The females include cows bred; cows with calves at foot and both bred and open heifers. The blood of Supreme Goldfinder, the reigning king of Shorthorn sires, is quite prominent.

Plan to come to Marshalltown Monday, March 20th.

It will be held on Monday, March 20, 1944, at twelve noon. Intersecting roads make Marshalltown easy of access from all parts of Iowa and adjoining states. It is also on the main line of the Northwestern, Great Western and the M. & St. L. railroads.

TERMS—Cash, settlement to be made with the clerk of the sale immediately at the conclusion of the auction. Bulls are guaranteed breeders if not used for service before they are 14 months of age and if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller if in as good condition as when bought and purchase price refunded. All cows with calves at foot and those showing evidence of being with calf at time of sale are considered breeders, and no further guarantee is made with respect to them. All heifers under 16 months old and not yet bred, are sold open and at buyers risk. All other cows and all heifers over 16 months old at time of the sale are guaranteed to be breeders. Animals returned to seller because they do not comply with guarantee will be at buyer's cost of transportation.

He does not carry much flesh as he has been used in two herds containing 170 head of cattle. His calves are of excellent type. He would not be for sale except that we have a great number of half sisters. He is sired by the top selling bull in the 1937 Waterloo, Iowa, consignment sale bred by Husted Bros., sired by the great breeding bull Scottish Admiral.

Butterfly Queen, 8th—A good red cow that has always been a good producer. She is the dam of the heifer we sold at the International Shorthorn Congress at Chicago, which stood second in class and brought near the \$500 figure, at less than a year old. She has a roan heifer calf at foot but we are keeping the calf, and the cow will be sold bred to Divide Wellington one of the best sons of the noted Duke of Killeen.

We have calves by Divide Wellington, and it looks as if he may be as great a sire as the Duke himself. They certainly look promising.

We are selling this cow not because of any fault, but we have to reduce our herd with something and are retaining her heifer, to replace her.

If you want a cow to produce a calf without question of what it will turn out to be, buy this cow and own one of the best.

This good young Duchess of Gloster cow should stay in our herd, but the kind we like is also the kind other lovers of good cattle also like to buy, and I think the good ones are the only kind to put in association sales. She is in calf to the bull pictured above since Sept. 1st. We think Millhills Cumberland is the best bull sired to date by Millhills Senator and one of the best grandsons of the noted \$15,000 Millhills Ransome.
